2015 Awards and Recognition Program

LeadingAge Washington's Awards and Recognition Program is all about people who make a difference every day in the lives of those they serve. It's all about people who put quality first, deliver excellence, and inspire others to do the same. The LeadingAge Awards Program recognizes those individuals and organizations who have made an outstanding contribution in the fields of aging, health care, housing and community-based services. It is our way of saying thank you, to those who do more than what is merely expected of them, who do the right things for the right reasons.

LeadingAge Washington
Advocates for its members in the advancement of innovation, quality, and social responsibility in aging services.
