

## What is ConnectToCareJobs.com?

ConnectToCareJobs.com is a free, national website that provides individuals looking for jobs with an easy way to connect with potential employers. The tool uses a matching algorithm to pair licensed and/or trained workers with healthcare facilities that are in need of their specific skills. This website was created by ADvancing States, with the support of Centene Corporation.

## What Kinds of Jobs are Available?

A variety of healthcare, allied health, and related support jobs are available on the website. Here are some examples of available roles:

### Medical:

- Physician
- Physician Assistant
- Nurse Practitioner
- Licensed Professional Nurse
- Registered Nurse
- CNA

### Allied Health:

- Occupational therapist
- Physical therapist
- OT/PT aide
- Respiratory therapist
- Speech therapist
- Dieticians

### Related Support Staff:

- Social worker
- Cook/dietary aide
- Housekeeping
- Maintenance
- Transportation
- Administrative/marketing

## How Do I Sign Up?

Signing up for ConnectToCareJobs.com is simple and fast! Just follow these steps:

1. Visit [www.connecttocarejobs.com](http://www.connecttocarejobs.com) and create your account;
2. Fill out the form with information about your skills and availability;
3. The matching tool will pair your profile with facilities looking for staff in your field, and a facility in need of your specific talents will then contact you directly.
