## COVID-19 Hindsight 2020: Challenges That Lead to Change

### A PharMerica Skilled Nursing Webinar

**Date:** 05/27/2020 | **Time:** 1:00PM ET | 12:00PM CT

In this session the presenter will look at the events of the 2020 Pandemic to examine the exposed gaps in care delivery. Taking the lessons learned in these events, the learners will be able to apply new strategies to develop an enhanced and innovative care delivery model.

### Learning Objectives:

- Understand how the challenges of Covid -19 will create effective long term changes
- Identify the gaps that were exposed during the pandemic
- Examine the importance of flexibility during a crisis
- Explore how to set goals to minimize negative outcomes for the future
- Apply lessons learned to create proactive future planning process.

### Speaker:

**Jeanne Boschert**
