

Long Term Care Roadmap for Vaccinations 03-09-2021

Work in Progress:

1. Access to epinephrine/Epi pens
2. Hospital discharge or prior to admission completion of vaccinations
3. Ongoing process for vaccinators in all communities/facilities
4. Sample sub-contract for use by pharmacy/long term care facility
5. Staff vaccinations if outside this workflow
6. Billing process (included in subcontract process)
