

1C: Caregiver Certification Online Series

LeadingAge Washington has partnered with Home Care Pulse to bring online training to your employees across the continuum of care at an affordable cost. Give your team the yearly training they need with Home Care Pulse's Certified Caregiver Online Training Program! Home Care Pulse blended learning platform is tailored to empower care providers in all areas of acute and post-acute care. These basic caregiving skills will educate, challenge, inspire, and certify every caregiver on your team.
