

NEW Caregiver Certification Online Series

LeadingAge Washington has partnered with Home Care Pulse to bring online training to your employees across the continuum of care at an affordable cost. Give your team the yearly training they need with Home Care Pulse's Certified Caregiver Online Training Program! The Home Care Pulse blended learning platform is tailored to empower care providers in all areas of acute and post-acute care. These basic caregiving skills will educate, challenge, inspire, and certify every caregiver on your team.

Fees: Per Package/Option - Discount for larger groups

LeadingAge Washington Member: \$39 (per person up to 5 (per package/option) - \$29. (6 - 10 staff)

Non-Member: \$59 (per person up to 5 (per package/option) - \$49. (6 - 10 staff)

- **Fees include:** 8-10 hours, CE's per class and Certificate of Completion when complete. Online training must be completed within 90 days of registration to receive a Certificate of Completion.

Online Training Options:

You will be prompted to select a package/option during the registration process. LeadingAge Washington will complete the registration with Home Care Pulse and at that time you will receive your [login directions](#).
