MEDIA RELEASE FORM

Thank you for being part of our campaign to help Washington legislators and the public learn more about the people who work and receive services in LeadingAge Washington member facilities.

We are asking long term care employees and residents to join us by making handmade Valentine's Day cards and artwork that will be delivered to lawmakers on February 14, 2023. As part of our campaign, we may record, photograph or video the activities and utilize those materials to promote the program on our social media channels.

Please sign this form to give LeadingAge Washington permission to use the Valentine's Day card or other art/materials that you create and, separately, your name, identity, voice, signature, likeness, image, or photo to publicize and support LeadingAge Washington's Have a Heart for Seniors campaign.

1. Please indicate if we may list your facility name and location on our social media posts. We will NOT use your name.

☐ YES ☐ NO

2. Full Name _____

3. Facility Name _____

4. Location _____
