ADVOCATE • EDUCATE • ENGAGE • INSPIRE

**THE GREATER GOOD** - Our world is complex, but our common goal is simple—we dedicate ourselves to creating positive change and improving the lives of older adults wherever they call home. As we focus on a wide and rapidly evolving range of issues—it's more important than ever to harness the combined power of our mission driven LeadingAge professionals. That's why aging services leaders from across our state will come together for our 72nd Annual Conference & EXPO - June (12)13-15, 2023. Across our education program, we'll spend time talking about the critical issues and strategic priorities that matter to us most, and prominent experts will share their experience and vision that is certain to inspire us all. When you tour the EXPO, you'll discover life-changing products and services, and during social events, you'll build connections and camaraderie. This year will ignite your passion and your purpose to advance your mission for those you serve. Together we are stronger for The GREATER GOOD.

### In June we will ask our communities to come together for:

- Uplifting, inspiring talks in our power-packed keynote lineup.
- Education you can use now with carefully curated content.
- Networking opportunities at fun social events.
- New ways to find your next partner in our EXPO.
- A renewing experience that you can share with your teams.
