72ND ANNUAL CONFERENCE & EXPO

LeadingAge Washington's Awards and Recognition Program

is all about people that make a difference every day in the lives of those they serve. It's all about people who put quality first, deliver excellence, and inspire others to do the same. The LeadingAge Awards Program recognizes those individuals and organizations who have made an outstanding contribution in the fields of aging, health care, housing and community-based services. It is our way of saying "thank you" to those who do more than what is expected of them but choose to excel and innovate in their quest for continuous improvement.
