The Weight and Worth of this Moment

Aging services are at a crossroads.

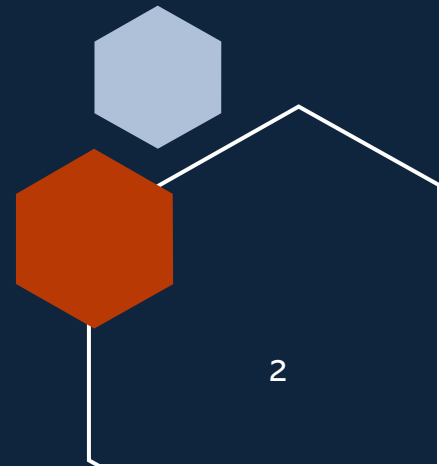

H.R. 1 and proposed Medicaid cuts threaten decades of progress.

This isn't just about funding — it's about values.

When funding shrinks, our voices must grow louder.

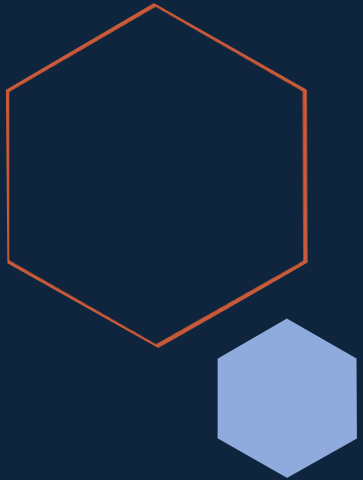

**Courage Tells The
Truth**

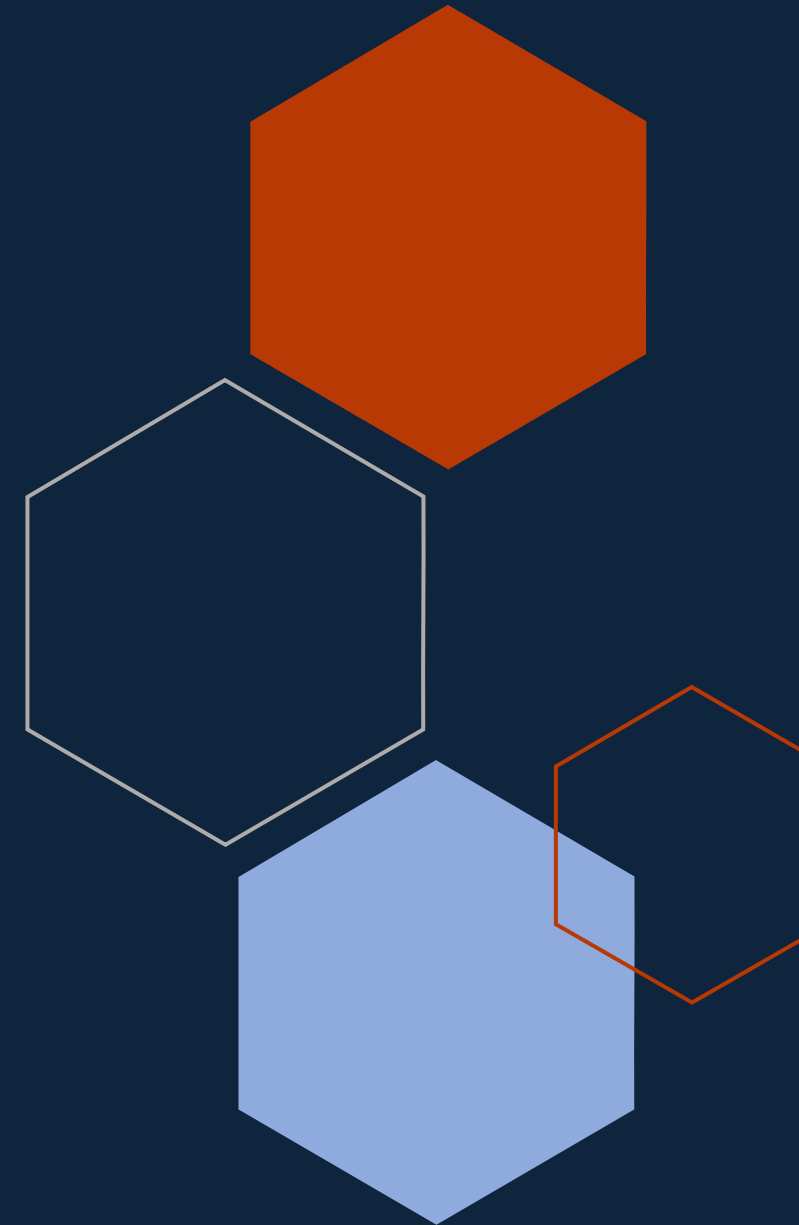

Courage = Truth + Transparency + Advocacy

Breakout 1 – Name the Truth

At your table:

- One truth your organization must say aloud.
- One place it needs to be heard.

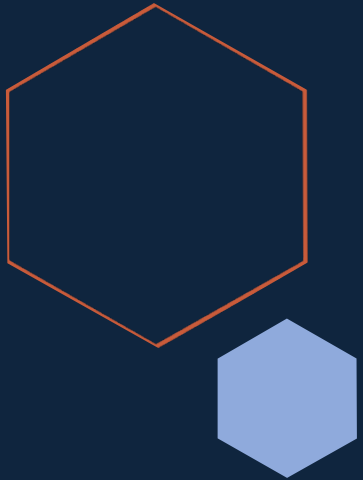

Commitment

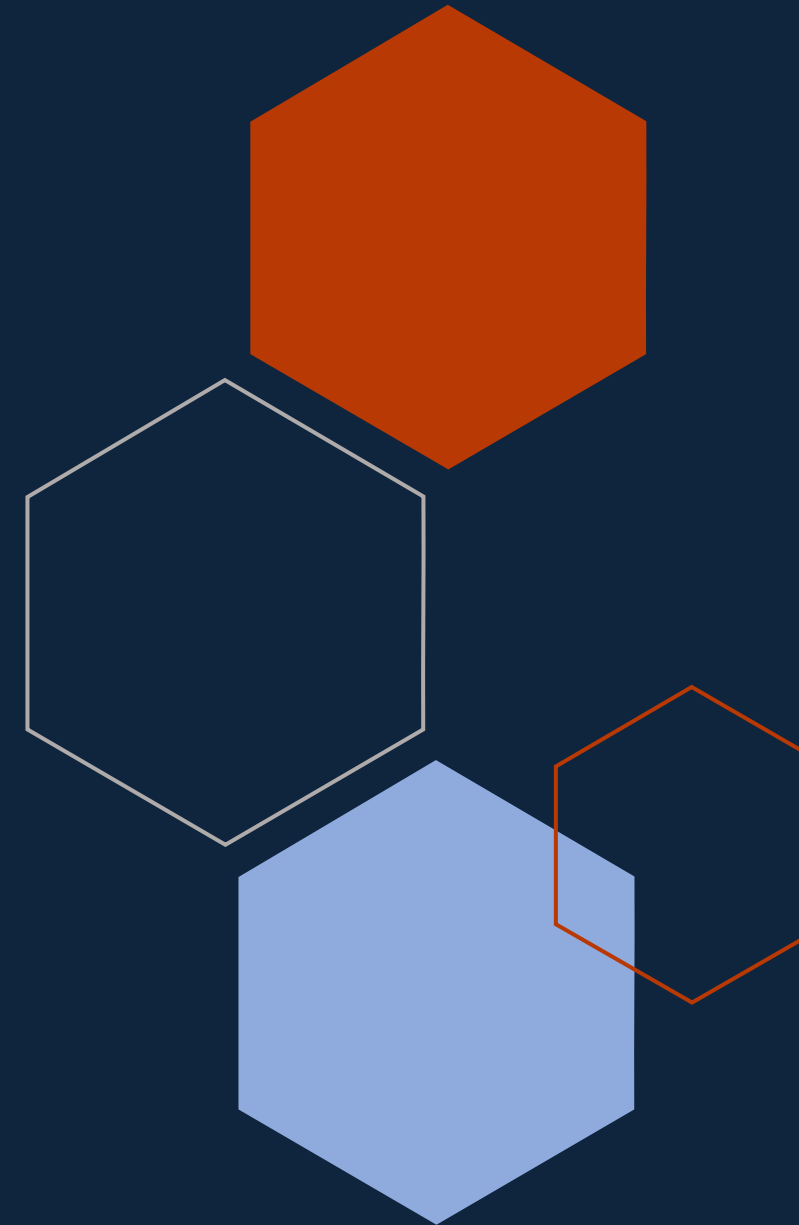

Commitment = Purpose + Partnership + Perseverance

Breakout 2 – What Will You Protect

At your table:

- Identify **two things your organization or community refuses to compromise**
- **One strategy to safeguard or advance them**

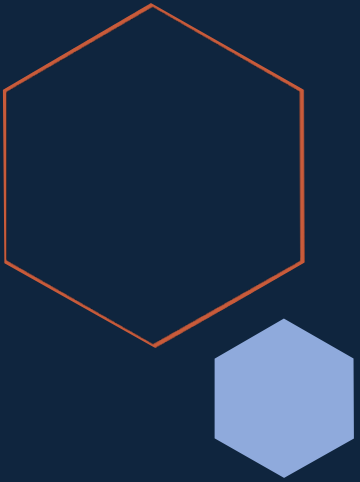

Change

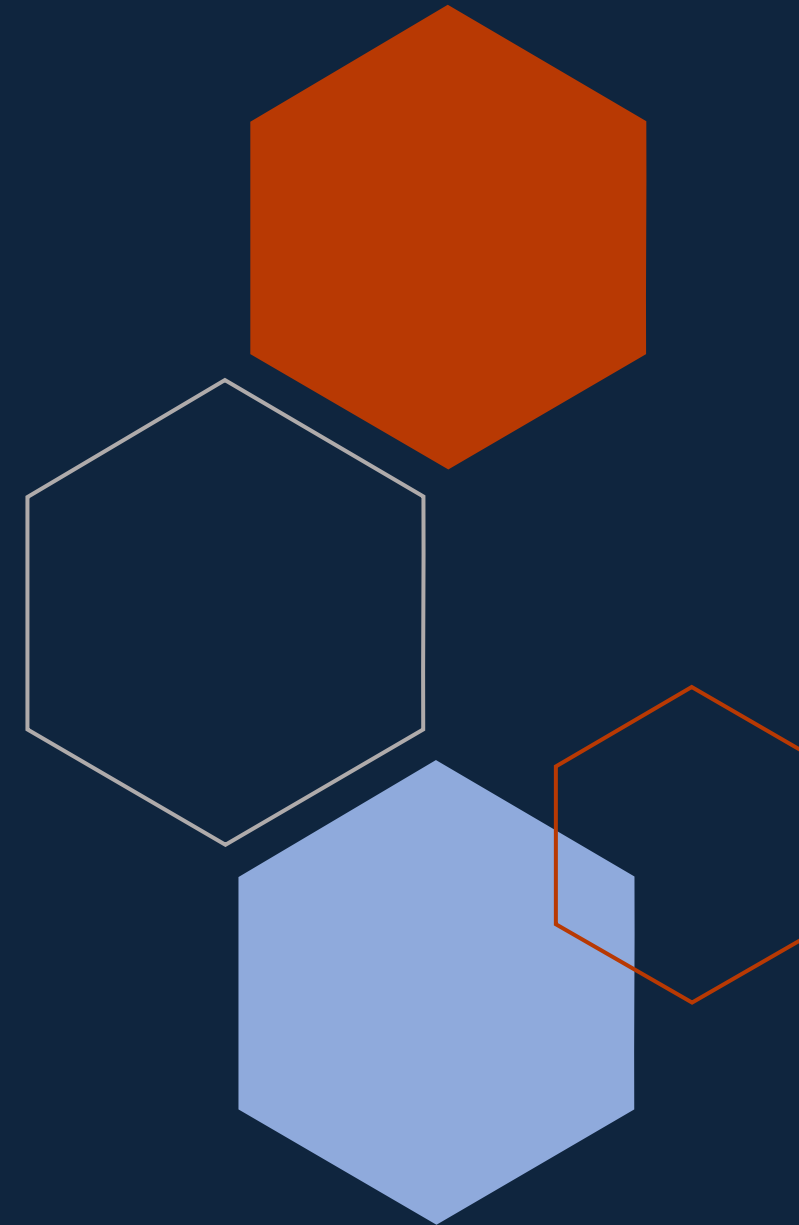

Change = Advocacy + Action + Collective Voice

Breakout 3 – From Concern to Action

At your table:

- At your table, develop **one concrete advocacy action** you will take in the next 30 days to defend and advance aging services.

A decorative border at the top of the slide consists of a row of hexagons. From left to right, the colors are: light blue, light blue, orange, white, light blue, light blue, and dark blue. Below the top row, a second row of hexagons is partially visible, with a white outline hexagon on the left, a solid orange hexagon in the center, a white outline hexagon on the right, and a dark blue hexagon on the far right.
